

SMMC (Scripture Meditate/Memory Challenge!) - Step 1a

SRC - Scripture Review Challenge!

Joshua 1:8 and Psalm 1:2 ("day and night")

Think of Bible verses you already know (one verse, or two together)
Write some down below (choose an appropriate Bible translation)
(just the reference, not the words, since you know them already)!

Examples -

*Genesis 1:1 / Proverbs 3:5,6 / John 3:16; 14:6
Romans 6:23; 12:1,2 / Philipians 1:21; 4:13*

Write down a few Bible verses you already know.

1) _____ 3) _____

2) _____ 4) _____

STEP 1 Pick one verse that you wrote down – circle it.

STEP 2 Think about it (review/repeat) off & on thru the day
for AT LEAST a week to a month or longer (as God leads).
Sometimes repeat it slowly, for maximum meaning & benefit!
This is a way we 'meditate' on God's word "day & night".

STEP 3 Look at verses before & after the one you're reviewing.
Keep context in mind (chapter, book, author, etc.). Check other
translations for word differences. Read commentaries.

*As you review, be ready for prompts from the Holy Spirit
about a key word or phrase in the verse.
You may be reminded about other verses,
hymns, spiritual songs, etc. with a similar theme!
Review them too, and thank the Lord for His prompt(s)!
That's one way the Bible comes to life!
Tell someone about it and pray together!
Develop a disciplemaking friendship with the person(s)!*

STEP 4 Then the next week, month, (whenever God leads you),
choose another verse you already know and do STEP 2 & 3.

Have fun with it! www.cometolifeministries.org

If you have another method/practice/habit that helps
you love the Lord with all your heart, soul, mind &
strength; and your neighbor as yourself (Mark 12:28-31), then stay
with that! But if not, I offer you this challenge!
